

Year 4 Science

Using an empty plastic bottle, food colouring, a thin straw and plasticine, pupils from Year 4 made their own thermometer. As they put their warm hands around the bottle they watched the water push up through the straw.

The Great Fire of London

Pupils from Year 2 are pictured creating their group pictures having learnt about the Great Fire of London in their History lessons. They have used a variety of media including tissue, paint and pastels.

Queen Boudicca

Pictured is Beth who is being used as a model for a life size portrait of Queen Boudicca, one of the strong women that Year 3 have been learning about in their History studies.

Reception Prepare to go to the Ball!

Reception have been busy buying their clothes for the Ball. They have also been trying to solve the problem of the missing ugly sisters and reading the clues to help to find Cinderella's slipper!

Pupils in the News

Congratulations to Aziva who was awarded Man of the Match and Player of the Week after his football team, Mobberley, beat Wythenshawe by 7 goals to 2.
