

Year 1 at Warrington Museum

Year 1 thoroughly enjoyed their visit to Warrington Museum where they learnt about old and new toys, how they used to be made and how they are made today. They then made their own pop up toys. Thank you to Mrs O'Brien, Mrs Halpin and Mrs Glover.

Manchester Museum of Science and Industry

Pupils from Year 2 visited the Manchester Museum of Science and Industry this week. As part of their studies about forces, they enjoyed a Forces and Flight Show where they learnt that every action has an equal and opposite reaction through their experiments with gravity, friction, magnetism and air resistance. Special thanks to Mrs Bett and Miss Sanderson.

Fighting the Fire

Pupils from Kindergarten enjoyed their visit from Firefighter Dykins this week (Ben and Evelyn's Daddy). He talked to them about his uniform and most importantly about the dangers of fire. They all enjoyed the opportunity to try on his uniform and have promised to be very careful.

Pupils in the News

Congratulations to Pippa, Yr 6, who has just passed her Grade 2 Saxophone examination.

Penny's Poem

*What's in my garden?
There's a hole in my garden.
Does it belong to a rat or a mouse,
a bee or a wasp, a bumble bee or a honey bee?
What is hiding in there?
Is it a castle or a dragon?
A dragon fighting a knight or a castle with a famous artist?
Or is it just a dog or a cat?
Do you have a hole in your garden?
Look yourself, don't ask me!*
